Chennai-Mysuru Vande Bharat Express arrives in city on trial

Mysuru, Nov. 7 (RK&DM)- The Chennai-Bengaluru-Mysuru Vande Bharat High Speed train chugged into the City Railway Station 15 minutes ahead of its scheduled arrival time, on its first trial run between the two Southern cities (Chennai and Mysuru) today, much to the delight of passengers.

The trial run has been highly successful in terms of technical and all other aspects, according to sources in the Railway Department.

The Vande Bharat train left M.G.R. Central Railway Station, Chennai, at 5.50 this morning on its Down trial run, to arrive at Katpadi Junction (KPD) at 7.23 am. After a two-minute stop, it left at 7.25 am, reached Jolarpettai Junction at 8.30 am from where it arrived at KSR Bengaluru Railway Station at Majestic at 10.25 am.

After a five-minute stop, the train left for its final destination and reached Mysuru City Railway Station at 12.15 pm, 15 minutes earlier than the scheduled time of 12.30 pm, covering a distance of about 504 kms in just over six-and-a-half hours.

The train was received at City Railway Station by E. Vijaya, ADRM, South Western Railway (SWR) and other staff.

Sanjeev Kishore, General Manager SWR, B.G. Mallya, General Manager, Southern Railway (SR) and a few top Railway officials travelled in the train's trial run.

Echo of ex-IB Officer's murder

Public entry banned
to Manasagangothri campus

Kukkarahalli Lake remains open for walkers and joggers

Mysuru, Nov. 7 (RK)- Following the alleged murder of retired Intelligence Bureau (IB) Officer R.N. Kulkarni in Manasagangothri campus on the evening of Nov. 4, the University of Mysore (UoM) has banned entry of walkers, joggers and also public vehicles to the campus.

Soon after the news broke out about the killing of the former IB Officer in Gangothri campus, the University, which convened an emergency Syndicate meeting at Vijnana Bhavan on Saturday (Nov. 5), resolved to ban entry of all public vehicles and outsiders to the campus fearing that entry of unknown persons may cause problems including illegal activities, according to UoM Registrar Prof. R. Shivappa.

The University Vice-Chancellor is likely to issue a notification in this regard later today. However, the public entry was not allowed from this morning. But Kukkarahalli Lake will be open for public for jogging or walking, said Prof. Shivappa.

Continuing, he said that soon after the Syndicate resolution, the Security Guards at all the entry and exit points of Manasagangothri campus were asked not to allow public and as well as their vehicles inside the campus.

Barring students, teachers and other faculty of the University, no other members of the public will be allowed into the campus, he said adding that the guards have also been directed to shut down the entry and exit gates and allow the students and staff only upon production of their identity cards.

(See ENTRY on page 6)

Former IB Officer R.N. Kulkarni murder case

Son-in-law lodges
complaint against neighbour

Mysuru, Nov. 7 (OSR)- A day after former Intelligence Bureau (IB) Officer R.N. Kulkarni was fatally knocked down by a car when he was on his routine evening walk in Manasagangothri campus on Nov. 4, his son-in-law has lodged a complaint with the jurisdictional Jayalakshmipuram Police accusing Kulkarni's neighbour of being involved in the incident.

Kulkarni's son-in-law Sanjay Angadi, in his complaint lodged with the Jayalakshmipuram Police on the morning of Nov. 5, said that he and his wife Parinita (Kulkarni's daughter) live in the United States and his family used to be in regular touch with Kulkarni through WhatsApp call. His father-in-law told him that his (Kulkarni) neighbour Madappa had begun construction of a building to the South of his residence in violation of the MCC bylaws in respect of setback.

Later, Kulkarni filed a complaint with the MCC and petitioned a City Civil Court against Madappa, charging him of illegal construction. Subsequently, the Court issued an injunction order restraining Madappa from construction.

(See KULKARNI on page 6)

Funeral held this morning

R.N. Kulkarni

Meanwhile, the last rites of former IB Officer R.N. Kulkarni was held at Harishchandra Ghat at the foot of Chamundi Hill this morning, according to family sources.

After the conduct of post-mortem, the Police had handed over the body of Kulkarni to his family members, following which the body was kept in the mortuary of Suyog Hospital in Ramakrishnanagar. Before post-mortem, the body was kept at MMC&RI mortuary.

Kulkarni's body was brought from Suyog Hospital this morning to his residence in Sharadadevinagar at 8 am where it was kept for people to pay last respects till 9.30 am. The last rites were held at Harishchandra Ghat at the foot of Chamundi Hill.

Kulkarni's son Rohan R. Kulkarni, who stays abroad, came to Mysuru on Sunday evening, while Kulkarni's daughter Parinita arrived from the US late on Sunday night to attend their father's last rites, it is learnt.

Lions West to conduct Health and Wellness Event on Nov. 12 and 13

Mysuru, Nov. 7 (Sujata Rajpal)- A two-day Health and Wellness event is being conducted in the city by the Lions Club of Mysore West (LCMW).

The sixth edition of this mega event to be held at Lions Sevaniketan School in Gokulam will have a series of events to promote healthy living including a free medical camp covering sugar, BP and cardiac checks by Narayana Multi-specialty Hospital and eye checkup by Ismail Opticals from 9.30 am to 2 pm on Nov.12.

A Yakshagana performance by Yaksha Sinchana will be held at 6 pm on Nov. 12 at Senate Bhavan in Manasagangothri.

The events planned for Nov. 13 are as follows: 20-km cycling (6.30 am), 5-km walk/run (6.45 am) and a session on Yoga Nidra deep relaxation technique (8.45 am).

An inter-school drawing and quiz competition (Lions Quest) will also be organised by Lions Sevaniketan School to coincide with this annual fund-raiser.

The proceeds from this event will be used towards supporting various service projects of the Club such as student scholarships, women empowerment projects and the Kidney Endowment Fund that provides subsidised dialysis to needy renal failure patients, said Ln. Nagarajan Srinivasan, President, LCMW.

Besides helping the renal failure patients, the Club also provides artificial limbs to the needy, runs a CBSE school, contributes towards children's education including martyred or disabled armed forces personnel and conducts vocational training programmes for the underprivileged sections of society. Donor passes are available at Lions Sevaniketan School, Gokulam, Mysuru. For details call Mob: +91 9448436302.

Pratibha Puraskar

Mysuru, Nov.7- As part of Co-operation Week and Kannada Rajyotsava, the city's Agastya Credit Co-operative Society Ltd., has invited applications from meritorious children of the Society members who have scored more than 85 percent marks in SSLC, PUC, Music and Dance courses (2021-22) and winners of State/National prizes/awards, for presentation of Pratibha Puraskar.

The hand-written applications along with necessary academic records/documents must be submitted at the Society's head office located on 6th Cross, Krishnamurthypuram, before Nov.13. For more details, call Ph: 0821- 2330014 or 2334140 or 2411556.

EDITOR'S BOTTOMLINE

A caste system of sorts seems to play out on the roads. The road hierarchy prioritises cars, followed by two-wheelers, and bicycles and pedestrians are pushed to the brink, literally. They come last in the pecking order. Rampant encroachments on the pavements meant for walkers don't help matters either. While urban development bodies, from Delhi to Bengaluru, promote cycling and even give them a place of pride, in reality, it takes cyclists a little madness and a lot of courage to navigate through the killer traffic. When you can't change them, join them seems to be the motto as inadequate cycling infrastructure is pushing people to use motorised vehicles.

City roads are synonymous with traffic snarls, but hit the road on your bike in the wee hours when it is empty and take in the sights and smells. An alternate world awaits you. The city looks beautiful. Take an unplanned detour and you may stumble upon a utopian village... it may offer you facets you didn't know existed. The various nooks and corners have a story to tell. My brother enthuses, "It satisfies my wanderlust." Who can disagree? Drifters seeking out such serendipitous moments, or people with modest means who cycle their way to work, have one simple wish: "I want to ride my bicycle, I want to ride it where I like," as the legendary Freddie Mercury crooned rather prophetically decades ago.

— Chitra Iyer in Deccan Herald

NEWS SPARKLERS

Married 87 times to 46 different women

West Java: A 61-year-old farmer from Indonesia has been dubbed the country's 'Playboy King' after it was revealed that he plans to marry for the 88th time.

Kaan is a rice farmer from West Java, in Indonesia, with a very interesting story. He claims to have been married a total of 87 times during his lifetime and that he is getting ready for his 88th wedding, with one of his ex-wives. The Playboy King, as Indonesian news media dubbed Kaan, rose to fame after telling his story to a YouTuber whose video quickly went viral, attracting the attention of several news outlets who tracked the man down and visited his home in Cipeundeuy Village.

The Indonesian man claims that he first got married at age 14 to a girl two years older than him. Their marriage only lasted 2 years, but that didn't deter him from finding a new wife, and then another, and so on.

Teenage boy goes viral for his feminine looks

Akihabara: Mayutamu, a male teenager from Japan, has been getting attention for his ability to pose as a girl, using makeup and female clothing.

The 16-year-old teen rose to fame thanks to his job at a unique maid cafe in Tokyo's Akihabara district. Maid cafes are really popular in Japan, with Akihabara alone being home to dozens of them, but none quite like 'NEWTYPE'. This establishment is known as a 'pseudo-girl' maid cafe, because all the waiting staff is actually made up of boys posing as female maids. Among all the maids, Maytamu stood out as the most feminine of all, with many people confessing that they would have never guessed he was a boy.

Train 18: Is it beneficial to Mysuru?

Sir,

Vande Bharat Express — previously known as Train 18, a semi-high-speed, electric multiple unit train — from Chennai to Mysuru to be inaugurated on Nov. 11 by Prime Minister Modi puts Mysuru on the map of semi-high-speed rail. Thanks to our MP Pratap Simha.

But the question that remains in everyone's mind is: Is it going to be beneficial to the common man in terms of journey time and money?

Most people from Mysuru travel to Bengaluru on this train and only around 30 percent to Chennai. Travel time from Mysuru to Bengaluru is 1 hour 45 minutes, but from the other side, it is 2 hours. Not sure why it is so.

The current Shatabdi Express also covers the distance in the same amount of time. Timing from Chennai to Bengaluru is updated as 4 hours 35 minutes whereas the current Shatabdi takes 4 hours 50 minutes. There is no stoppage at Katpadi Junction, unlike Shatabdi. But the fare of Vande Bharat would be a lot more compared to Shatabdi. Will this be profitable or a White Elephant to the South Western Railway just like current Shatabdi on weekdays?

The current Wodeyar Express also covers the same distance in 2 hours with stops in Kengeri and Mandya. But officially it is slowed down in timetable making it run in 2 hours 30 minutes.

The current track speed is limited to 110 kilometres per hour. Tracks need to be modified to accommodate 130 kilometres per hour speed to get the best of Vande Bharat — Delhi to Varanasi, a distance of 760 km is covered in 8 hours with an average of 96 kilometres per hour at a max speed of 130 kilometres per hour. **We could see the benefits of Vande Bharat only if the tracks are upgraded and thoroughly tested at 130 kilometres per hour.** With the curves and gradients, it looks like a distant dream.

The introduction of a Jan Shatabdi at the same time would have made it more meaningful and helpful to common people. Is it more of pride than utilisation?

On the other hand, the current Shatabdi Express could be replaced by Jan Shatabdi instead of having two luxury superfast trains to the same destination almost at the same time.

Seers who fought for increase in reservations for SC/ST to be felicitated tomorrow

Mysuru, Nov.7 (MTY&TRR)- A felicitation programme for the two Seers, who fought for the increase in the reservations for Scheduled Castes (SCs) and Scheduled Tribes (STs) communities and a Chintan-Mantan (deliberation) session has been organised at Mysore University's Senate Bhavan in Manasagangothri on Nov. 8 at 10.30 am," said former Mysuru Mayor Purushotham.

Speaking to press persons at Patrakartara Bhavan here on Sunday, he said that this programme is being organised by the Federation of Karnataka Rajya Swabhimani SC/ST organisations.

The two Seers — Sri Prasannanandapuri Swamji and Sri Jnanaprakash Swamiji — had staged a dharna for 257 days at Bengaluru's Freedom Park, after their padayatra of 365 kms failed to evoke any response from the State Government.

Both the Seers will be felicitated for their relentless fight for increasing reservations for the SC/STs, said the former Mayor.

Stating that other Seers of the two communities will also be felicitated on the occasion, Purushotham said a Chintan-Mantan session will follow the felicitation programme, where thinkers, writers and other representatives of the communities will participate. All district people's representatives and office-bearers of various organisations of the two communities will participate in the events, he added.

Karnataka State Federation of Swabihimani SC/ST Organisations District Committee President Dyavappa Nayaka, office-bearers Prabhakar Hunsur, Kempanayaka, Tumbala Ramanna, Shivakumar and others were present at the press conference.

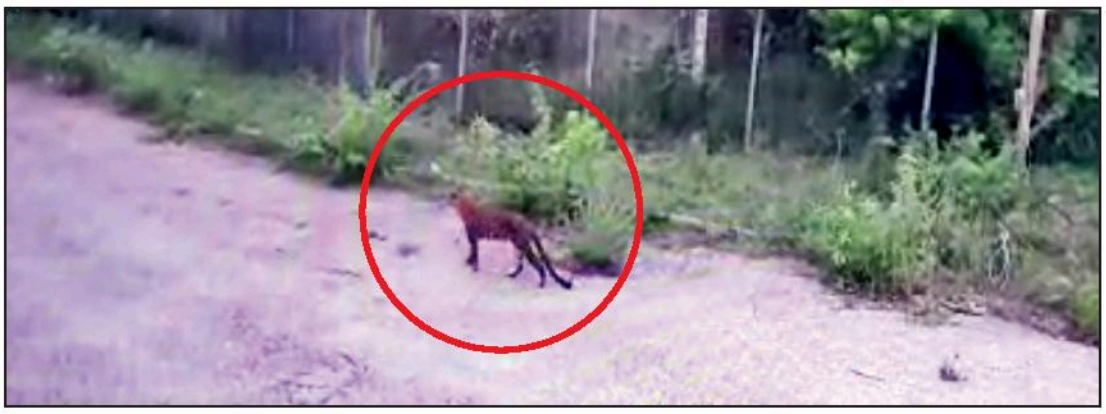
Leopard spotted at KRS again

- Spotted for the fourth time since Oct. 21
- KRS closed for tourists for four days



The CCTV grab of the leopard spotted on Oct. 27 at KRS Dam.

Srirangapatna, Nov. 7 (Vinay Karekura&KS)- Even as the leopard attack on people in K.R. Nagar is still fresh in the minds of the people, the leopard which is playing hide and seek at KRS was spotted again on Nov. 5, forcing the authorities to close down the Dam for tourists for four days.

The leopard which was spotted at 9.10 pm on Nov. 5 and also on Nov. 6 at 1.05 pm near the Fisheries Department, made an official of the Department collapse on the spot.

It was on Oct. 21, the leopard was spotted for the first time in KRS and the Forest Department staff had placed a cage near Royal Orchid Hotel to trap it and had also conducted a combing operation, but in vain. On Oct. 27, the leopard was spotted by Karnataka Industrial Security Force (KISF) officer Santosh near the North Gate of the Dam, who reported it to the Forest Department officials.

Pandavapura Forest officials, who rushed to the spot, spotted the leopard at about 10 pm at the same spot but the leopard vanished later. The Forest staff then placed a cage at the spot, where the leopard was sighted and also conducted a combing operation the next day. The Forest officials then closed the park near the North Gate and also stopped the Musical Fountain besides restricting tourist entry at this area.

KRS closed for tourists

Cauvery Neeravari Nigam Limited (CNNL) Managing Director (MD) Shankaregowda, who spoke to *Star of Mysore* yesterday said "Yes, the leopard was spotted yesterday (Nov. 5) and I visited the Dam and held talks with the CNNL officials. Arrangements have been made to place the third cage and as a precautionary measure, entry of tourists to the Dam has been completely banned for three to four days. From tomorrow (Nov. 7), earth excavating machines will be deployed to remove overgrown bushes and weeds and I have asked the officials to report on the number of CCTV cameras that are working in the vicinity of KRS Reservoir. Steps will be taken to ensure that such incidents will not repeat."

Meanwhile, public have alleged negligence on the part of CNNL and Forest officials for the delay to capture the leopard. They said that though the leopard was first spotted on Oct. 21, the officials did not bother to clear overgrown bushes and weeds in the dam vicinity which has resulted in the leopard being spotted again and again.

Apart from tourists, the lives of the staff working at Brindavan Gardens is at risk and the officials also allowed tourists to enter the Dam without the leopard being captured, the public alleged and added that the authorities concerned were playing with the lives of tourists and their own staff.

CNNL Assistant Executive Engineer (AEE) Farooq Abu, speaking to *SOM*, said that as the leopard was spotted, entry of tourists to the Dam has been completely banned since 6 pm yesterday (Nov. 6) and it has been decided to ban entry of tourists tomorrow (Nov. 7) also.

He further said that the cage which was placed earlier has been shifted to the spot, where it was spotted and added that future course of action will be decided only after holding talks with the higher officials and Forest Department authorities.

Fall in revenue

Following frequent sightings of the leopard and closure of the park and the Musical Fountain since 15 days, CNNL has suffered a loss of about Rs. 20 lakh. Also, closure of the Dam for four more days will also result in more loss.

The officials are responsible for the loss. If they had cleared overgrown bushes and weeds and had they maintained the CCTV cameras, it would have not taken so many days to capture the elusive leopard, opined public.

Family of former T. Narasipur MLA accused of land grabbing attempt

Mysuru, Nov. 7- The family of a former T. Narasipur MLA (now late) has been accused of attempting to grab land worth crores of rupees in Mysuru city by creating fake documents.

Lalitha Jayagopal, daughter-in law of late T. Narasipur MLA Srinivas Iyengar and her sons Sudhir Jayagopal and Suman Jayagopal (grandsons of the former MLA) are the accused. They have been accused of attempting to grab 3 acres and 4 guntas of land coming under Lalithadripura Survey No. 206, which is worth crores of rupees, by creating fake documents, according to a complaint lodged by Varuna Hobli Revenue Inspector D.S. Shankar with the jurisdictional Alanahalli Police on Nov. 4.

Details: Former MLA late Srinivas Iyengar's grandson Sudhir Jayagopal, a resident of Rajajinagar, Bengaluru, had applied to the Taluk Office on Apr. 26, 2021 seeking *Pouthi Khata* change in respect of 3 acres and 4 guntas of land in Lalithadripura Survey No. 206. But in reality, this land originally belonged to the Government, which was later sanctioned to one Vajram Iyengar of Melukote decades ago. The current RTC in respect of the said land too stood in the name of Vajram Iyengar. But Sudhir Jayagopal in an attempt to grab the land, had applied for *Pouti Khata* change in his family name, by producing a fake family tree, a death certificate and other fake documents. Subsequently, the Taluk Office had taken action under MRH-28/20-21 proceedings of the land section, which had acted based on the contents of the application and the documents submitted along with it.

After coming to know of the proceedings, B.N. Nagendra, an RTI activist, filed an objection alleging that this was an attempt to grab the land by submitting fake documents by the family members of the late former MLA.

Taking note of the objection, Additional Deputy Commissioner directed Mysuru Additional Tahsildar N. Vishwanath to look into the matter.

On scrutiny of the documents, Vishwanath found that the documents submitted were fake, cancelled the MRH-28/20-21 proceedings and instructed Varuna Hobli Revenue Inspector on Sept. 7 to register a criminal case against those who had attempted to grab the land.

Acting on the instruction, Revenue Inspector D.S. Shankar lodged a complaint at Alanahalli Police Station, following which the Police have booked a case under IPC section 465, 468, 471, 420 read with section 34.

Man posing as Chamaraja MLA to transfer KSRTC staff, held

Mysuru, Nov. 7 (BCT)- The Wilson Garden Police in Bengaluru have arrested a 30-year-old man from Malavalli who was masquerading as an MLA to try and transfer a driver-cum-conductor with the Karnataka State Road Transport Corporation (KSRTC).

The arrested is Punith- 30, a native of Malavalli in Mandya district. Police said that on Oct. 28, Punith had made a call to V. Anbukumar, Managing Director of KSRTC and introduced himself as Chamaraja MLA L. Nagendra.

He asked the MD to consider the transfer of Balaraj, who is a driver-cum-conductor from Mandya Depot, to Malavalli Depot due to the health problems of a family member. Upon the MD's directions, the KSRTC Divisional Controller of the Mandya Division called the MLA to verify whether it was him.

The MLA denied contacting the MD. The Security and Vigilance Department swung into action and began gathering information from Balaraj, who said during questioning that Punith is an employee with the KSRTC Central Office and assured him about his transfer through the MD. A complaint was filed with Wilson Garden Police.

Later, Balaraj was summoned to the KSRTC headquarters where he was questioned. Balaraj confessed that Punith, who is said to be working at the KSRTC Central Office, helped him in getting the transfer through the MD.

"The KSRTC had contacted me and I denied making any such calls nor did I ask anyone to make a recommendation call on my behalf and as such, the conman was arrested," the MLA told *Star of Mysore*.

PM to sport Peta like in Kempegowda Statue

Modi's adoption of traditional clothes in every place that he visits is much talked about

Nammooru Nammoru Samaja Seva Trust President Satish Gowda and Vice-President Kumar Gowda handing over the Peta to Chief Minister Basavaraj Bommai in Bengaluru yesterday as Mysuru District Vokkaligara Sangha General Secretary Chethan, Higher Education Minister Dr. C.N. Ashwathnarayan, Vidya Vikas Educational Trust Secretary Kavish Gowda, Sangha President Paduvarahalli Mariswamy and BJP leader Vedaraj look on.

Mysuru, Nov. 7 (SBD&BCT)- Prime Minister Narendra Modi's dress sense has always stood out and won praises, but his turban trend, in particular, deserves special mention. He has a thing for different and distinct headgears and he generally keeps them simple, yet makes a striking impression. These headgears are considered symbols of power, position and status.

A special headgear awaits Modi when he will unveil the 108-feet bronze statue of Naadaprabhu Kempegowda at the Kempegowda International Airport (KIA) in Bengaluru on Nov. 11. Interestingly, the headgear or the Peta will be similar to the one that has been designed for the statue, conveying the message that both Modi and Kempegowda are leaders of the land.

Nandan Singh

The Peta has been designed by Nandan Singh, a resident of Vidyaranyapuram in Mysuru based on the request of Nammooru Nammoru Samaja Seva Trust and Naadaprabhu Kempegowda Balaga and as per the suggestion from Higher Education Minister Dr. C.N. Ashwathnarayan.

Red cloth from Banaras has been used to make the soft Peta and the gold-coloured peacock dollar with precious stones and white feathers give it a special look, resembling the royalty of the Kempegowda's period. White pearl strings with red beads at the bottom have been attached to the peacock dollar and a dollar-like jewellery piece has been fixed to the side and the pearl strings hang from that giving it a majestic look.

The special Peta has been designed in 10 days and the

headgear follows the Mysore style and combines the royal tradition with comfort. Nandan said that he followed the design and pattern adopted by noted sculptor Ram V. Sutar in carving the headgear of Kempegowda so that both the statue and Peta that the PM will wear look similar.

"Eleven days ago, Satish Gowda of Mysuru came to me along with his friends and requested me to design the Peta for PM Modi to wear and told me that the Peta should look similar to the one on the statue's head. Even Minister Dr. Ashwathnarayan called me and asked me to design a befitting Peta for the PM that will attract attention," Nandan Singh told *Star of Mysore*.

Nandan said that his wife and children too contributed to the Peta making. "When PM Modi had come to Mysuru last time, I had readied a Peta following the design of the Peta worn by Nalwadi Krishnaraja Wadiyar but could not present that to PM Modi. I hope that the PM wears this headgear and we all get to see it," he added.

President of Nammooru Nammoru Samaja Seva Trust Satish Gowda said that the Peta has been specially designed for the occasion and will be a special gift to the PM. "We have taken permission from Minister Dr. Ashwathnarayan and Adichunchanagiri Mutt Seer Sri Nirmalanandanatha Swamiji and have taken feedback from both of them. The Peta is ready now and has reached Bengaluru. It will be presented to PM Modi when he will be felicitated on stage during the unveiling of the Kempegowda statue," he said.

Turbans and headgears have remained a highlight of Prime Minister's sartorial choices at Independence Day and Republic Day events and many other national and regional events. This eye-catching turban from Mysuru too will join the long list of Modi's hats worn over the years.

Modi to visit Karnataka on Nov. 11: CM

Bengaluru, Nov. 7 (UNI)-Chief Minister Basavaraj Bommai on Sunday said Prime Minister **Narendra Modi** will visit the State on Nov. 11 to inaugurate infrastructure projects including the second terminal of Kempegowda International Airport.

The PM will also flag off Vande Bharat Chennai-Bengaluru-Mysuru hi-speed train and unveil a 108-foot tall statue of 'Nadaprabhu Kempegowda' near the airport.

The second terminal at the airport was required due to an increase in the arrival of international passengers and will have the capacity to handle 25 lakh passengers, Bommai said. "There will be 100 counters to handle international commuters," he added.

With two terminals, Bengaluru Airport will become the second largest airport after New Delhi Airport, which will help in development of tourism as well as of Bengaluru, Industry, IT/BT, R&D sectors, Bommai said.

'Statue of Prosperity'

The CM said 'Nadaprabhu' Kempegowda's statue is named 'Statue of Prosperity' as he was a visionary king.

Since the PM is taking the country towards progress and prosperity, the Government felt he is the right person to unveil the statue, Bommai said.

"After this function, PM Modi will address a public meeting," he added.

SC Morcha rally in Mysuru on Nov. 30

Bommai said the Scheduled Tribe Morcha convention will be held in Ballari on Nov. 20 and the SC Morcha rally in Mysuru on Nov. 30. He also said 'Jan Sankalp Yatra' will resume from Monday and will be held continuously for three days in Udupi, Gadag, Haveri and Belagavi districts. "The 'Jan Sankalp' Yatra will go on till December," he said.

The response has been very good everywhere and this time, the Yatra will be in Mumbai-Karnataka region, CM said. "This has given the indication of victory in the coming days," he said.

Solar power license scam

On the solar power license scam, Bommai accused Congress of trying to hush-up a big scam in giving licenses to generate power from the solar to some private persons during the previous regime.

"Giving a license online within seven seconds and the list of beneficiaries will tell the truth. This is being probed," he said.

Asked about the suspected murder of a nephew of Honnali BJP MLA M.P. Renukacharya recently, Bommai said he has already spoken to him and collected information.

"The same information has been shared with the IGP and Superintendent of Police of Davangere for a proper investigation. The truth will almost come after the post-mortem report and thereafter a decision will be taken regarding the course of investigation. The incident will be probed from all angles," he added.

Grand welcome to AICC Chief Kharge in Bengaluru

Bengaluru, Nov. 7 (UNI) - Incumbent AICC President Mallikarjun Kharge on Sunday was given a rousing welcome by Karnataka Congress leaders and workers.

Kharge, who was on a maiden visit to Bengaluru after assuming charge as AICC President, was received by State party leaders including D.K. Shivakumar (KPCC President) and Siddharamaiah (Opposition Leader), at the Kempegowda International Airport in the State capital.

On the occasion, a rally named *Sarvodaya Samavesha* was organised at the Bangalore Palace Grounds to showcase the party's strength in Karnataka ahead of the Assembly elections next May.

Mallikarjun Kharge, a Gandhi family loyalist, was elected as All India Congress Committee President on Oct. 19 after defeating Shashi Tharoor.

Kharge is the second Dalit Congress President after Dr. Babu Jagjivan Ram.

Chennai-Mysuru Vande Bharat Express arrives in city on trial

Passengers clicking photos and selfies with Vande Bharat Express in city this afternoon.

(Continued from page 1)

After a halt of about 45 minutes, the Vande Bharat High Speed train left Mysuru for Chennai at 1.05 pm on its Up trial run.

The Vande Bharat Express, previously known as Train 18, is a high-speed electric multiple unit train operated by the Indian Railways on four routes till Oct.2022. It was designed and manufactured by Integral Coach Factory (ICF) at Perambalur near Chennai under the 'Make in India' initiative.

The Chennai-Bengaluru-Mysuru Vande Bharat train, which had its first trial run today, is the fifth train in the country and the first one to operate in Southern part of India.

The train will be formally introduced on Nov.11, when Prime Minister Narendra Modi will flag off the country's fifth Vande Bharat Express at Bengaluru and also inaugurate the second terminal of Kempegowda International Airport (KIA) at Benglauru.

The Vande Bharat train has 16 coaches, inclusive of 2 Executive coaches. It is equipped with automatic doors, GPS based audio visual passenger information system, Onboard Hotspot Wi-Fi, for entertainment and a very comfortable seating. The Executive coaches are fitted with rotary chairs that can revolve 180 degrees. All the seats in the train are numbered.

After the launch on Nov.11, the train will run between Mysuru and Chennai for six days a week. However, the Railways has not planned to replace the present Shatabdi Express, which also runs for six days a week (except Wednesday), for now.

Though the Railways has announced the tentative timings of the Vande Bharat Express (departs Chennai at 5.50 am on Down trip and leaves Mysuru at 1.05 pm on Up trip), the timing and the fares are yet to be officially notified.

Loco Pilots seen in their cabin.

Prof. Rajashekar likely to be appointed acting VC

Prof. Rajashekar

Mysuru, Nov. 7- With the tenure of the current Vice-Chancellor of University of Mysore (UoM) Prof. G. Hemantha Kumar coming to an end on Nov.15 and the new appointee to replace him yet to be announced by the Government, Prof. H. Rajashekar, the Dean of the Department of Commerce and Management is likely to be appointed as the acting VC, in case the regular VC is not appointed by then, according to sources.

Though the names of Humanities Department Dean Prof. Muzaffar Assadi, Department of Science Dean Dr. H.T. Basavarajappa, Department of Physical Education Dean Dr. Madialagan, Law Department Dean Dr. T. Maruti and Engineering faculty Dean Prof. B. Shankar are on the list of probable candidates, the name of Prof. Rajashekar is said to be at the top of the list.

The Governor, who is the Chancellor of all State Universities, is likely to name Prof. Rajashekar as the acting VC considering his seniority of service, according to sources.

Former IB Officer R.N. Kulkarni murder case

Son-in-law lodges complaint against neighbour

(Continued from page 1)

But Madappa moved the High Court and submitted an affidavit that he would demolish the building if the Court issues an order against him (Madappa). Accordingly, the High Court disposed off the Injunction order issued by the Civil Court, Angadi said.

Continuing, Angadi in his complaint, said that later his father-in-law often used to tell him that Madappa, his children and their associates have been hatching a plot to kill him using Innova car No.KA-09/EY 8190, Fortuner cars bearing Reg. No. KA- 09/ MA 1890 and KA-09/ M 3177. Thereafter, upon his (Angadi) advice, Kulkarni lodged a complaint at the local Police Station, the Office of the City Police Commissioner and even the Prime Minister, accusing Madappa of plotting to kill him.

In the meantime, Kulkarni also lodged a complaint with the MCC charging Madappa of illegally constructing the house, following which the MCC Commissioner had issued notices to Madappa on June 23, 2022 and July 14, 2022 asking him to stop any further construction.

But despite the notices, Madappa continued with the construction of his house and subsequently, his father-in law (Kulkarni) filed a suit in a City Court against the MCC authorities for failing to stop the construction, which is being heard in the Court.

Amidst this development, the MCC authorities on Nov.2 ordered Madappa to demolish the house as the construction was violative of building byelaws. Madappa, who continued to nurse a grudge against Kulkarni, had hatched a plot to kill his father-in law (Kulkarni) and in this backdrop it is certain that Madappa and his family members are behind the incident, Sanjay Angadi said in his complaint to the Police.

Following the complaint, the Jayalakshmipuram Police have registered a case (FIR No.57/2022) under Sections 302 (murder) and 34 (Involvement of more than one person in the crime) of IPC on Nov. 5.

Public entry to Manasagangothri campus banned

(Continued from page 1)

From now on, the vehicles of morning walkers and evening joggers coming from Paduvarahalli side, Bogadi road side, SJCE side and B.N. Bahadur Institute of Management Studies side will not be allowed entry to the campus and all entry and exit gates and points to the campus have been shut down, Prof. Shivappa added.

According to UoM officials, no University in the country is allowing the public to use the campus for jogging or walking. Hundreds of people, mostly senior citizens, use Gangothri campus for walking and jogging. According to officials, in the name of jogging unknown people were also visiting the campus.

It may be mentioned here that when Prof. K.S. Rangappa was the Vice-Chancellor a few years ago, the travel of KSRTC city buses in Manasagangothri campus was banned and public entry was restricted. Also, huge gates were installed at all the entry and exit routes to the campus to check public entry into the Varsity campus.

Law Minister Madhuswamy invites Yaduveer for daughter's wedding

Mysuru, Nov. 7 - Minister of Law and Parliamentary Affairs J.C. Madhuswamy yesterday met Yaduveer Krishnadatta Chamaraja Wadiyar of the erstwhile Mysore Royal Family at the Mysore Palace and invited him for his (Madhuswamy) daughter's wedding.

The Minister, accompanied by his wife, who spoke with Yaduveer for sometime also invited him to be the chief guest and offer bagina to Boranakanive Reservoir at Chikkanayakanahalli.

Small screen artiste Dayanand Sagar accompanied the Minister to the Palace.

NPS International School Team wins Apollo 'Spot A Stroke' Quiz 2022

Mysuru, Nov. 7- Apollo BGS Hospitals created awareness on stroke this 'World Stroke Day' (Oct. 29) by organising a quiz competition for School and College students of Mysuru city recently.

Nearly 5,000 students from 26 schools participated in the prelims round held at the respective schools that culminated with the Top-6 schools reaching the grand finale held at Vijnana Bhavan Auditorium in Manasagangothri.

RJ Avinash and Apollo BGS Hospitals Consultant Neurologist Dr. Somanatha Vasudeva hosted the quiz.

Winners of Apollo 'Spot A Stroke' Contest seen with Apollo Hospital Neurologists, VP & Unit Head and School faculties.

The 12 winners, a team of 2 each, from the Top-6 schools, are as follows: **Winners (Rs. 20,000):** NPS International students S.K. Achinth and Chahel M. Jain; **First Runners-up (Rs. 15,000):** Vijaya Vittala students V.J. Abishayana and M.P. Nishanth; **Second Runners-up (Rs. 10,000):** Sadvidya High School students Aishwarya Raj and K.S. Meghana Gowda; **Consolation Prize (Rs. 2,000 per team):** Sadvidya PU College's K. Ronak Soni and S. Shivaraju, St. Rosello's Pratiksha B. Jain and K. Lavanya, St. Joseph's Koushik M. Vasani and Nripan.

N.G. Bharateesha Reddy, Vice-President & Unit Head, Apollo BGS Hospitals, said: "To spread awareness about Stroke amongst the young minds, the quiz 'Apollo Spot A Stroke' contest was organised. We have been striving to treat stroke patients in the city, providing them with timely care at our dedicated STROKE READY UNIT by offering comprehensive stroke management services with state-of-the-art technology and highly skilled Neuro & Interventional Stroke Team round-the-clock. There is very little awareness of Stroke and it is our social responsibility to reach out to the people," he added.

Neurologists from Apollo BGS Hospitals, Mysuru, Dr. Somanatha Vasudeva, Head of Institutes of Neurosciences and Consultant Neurologist, Dr. Aumir Moin, Senior Consultant Neurologist, Dr. Shankar, Consultant Neurologist and Dr. Vinay Hegde, Consultant Neuro Interventional Radiologist spoke about treatment modalities and practical facts about Stroke to the audience. Students, Faculties and Parents were present during the event. Earlier in the day, Stroke cured patients shared their experience at the hospital.

Young Alumni Meet to commemorate

SJCE's Diamond Jubilee Year celebration

Special alumni interaction portal launched

Mysuru. Nov. 7- SJCE, a constituent college under JSS Science and Technology University, Mysuru, which is celebrating its Diamond Jubilee Year, hosted a Young Alumni Meet at their campus on Nov. 5.

More than 100 alumni working at various fortune 500 companies and at notable positions across India were part of the meeting. They addressed more than 800 young students on aspects of choosing the right career, higher education opportunities, preparing for Government jobs, preparing for private job opportunities, research avenues etc.

Supriya Salian, Chairman, CII Mysuru and Managing Director of Plansee India High Performance Materials Pvt. Ltd., who was the chief guest, motivated students on the importance of choosing the right career after graduation. She emphasised women empowerment and the diversity situation in India, where the number of women in the workplace is a very small percentage, which is alarming.

She advised students to work on the soft skill aspect while preparing for interviews which is a crucial point to communicating what they are aware of.

Prof. A.N. Satosh Kumar, Vice-Chancellor, spoke on future events planned under the Diamond Jubilee celebrations like Open Day, International Conferences and Workshops in the days to come.

He also emphasised on the 8 new courses which are to be launched in this academic year, the National Education Policy framework and how the alumni can support in changing the circular which is driven by new technology frequently.

Prof. S.A. Dhanraj, Registrar, emphasised on collaborative approaches with industries through the alumni network.

Prof. B.S. Harish, SJCE Alumni Association Coordinator, Prof. S.B. Kivade, Principal, were present during the inauguration.

A special alumni interaction portal was also launched during the event, which was developed by the final year students of the University. Harsh R. Shah, Shomik Ghosk, Vishal Mishra, Yashas Uttangi and Naman Oil were felicitated for their contribution in developing the software.

House allotment letters

distribution included in Sakala

Mysuru, Nov. 7- In yet another step of reaching out to the beneficiaries at their doorstep, the State Government has included deliverance of house allotment letters to housing beneficiaries of Karnataka Slum Development Board (KSDB), under its ambitious 'Sakala' scheme.

Now, as per the Karnataka Sakala Services Act, 2011 (also known as Karnataka Guarantee of Services to Citizens Act), the housing beneficiaries of Slum Development Board will get their allotment letters under the provisions of the Act, which promises delivery of services within a stipulated period of time.

The beneficiaries should apply online *https://ksdbonline.karnataka.gov.in/sakala* along with all the required documents, for getting their house allotment letters. The documents to be submitted while applying online includes Notice of Allotment, Approved list of beneficiaries/provisional beneficiaries, Token of House allotment issued by the Slum Clearance Board, Aadhaar card/ Voter ID card/Ration Card of the beneficiary, Receipt for having paid the instalment amount in full etc., according to the AEE of Karnataka Slum Development Board.

Age limit of Police Constable's post increased by 2 years

Mysuru, Nov. 7- As a one time measure, the State Government has issued an order increasing the age limit for recruitment of Police Constables by two years.

There were no appointments made for the Police Constable post during the last three years because of COVID pandemic. Job aspirants had made an appeal to the Government to provide relaxation in the upper age limit this time.

The Government has responded positively to this demand by issuing an order, increasing the age limit by two years for the appointments to be made in the year 2022-23. The Government has also said that this is a only a one time measure.

Applications have been invited for 3,484 post of Police Constable City Armed Reserve (CAR) and District Armed Reserve (DAR) and also 1,591 post of Civil posts. For SC/ST and Backward Classes the age limit would be 29 years and for others 27 years. For tribals, however, the upper age limit will be 32 years.

Obituary

Venugopal

Mysuru, Nov. 7- Venugopal (81), a resident of Jayalakshmipuram here, passed away yesterday in city.

He leaves behind one son, one daughter and a host of relatives and friends. Last rites were held at the family's farm land in Yelwal yesterday.

Actor Shivarajkumar inaugurates 'Samskriti-22' at MMC&RI

'Hattrick Hero' Shivarajkumar lighting the lamp to inaugurate the three-day 'Samskriti-22' cultural festival organised by MMC&RI at its Platinum Jubilee Hall in J.K. Grounds in city on Friday.

Mysuru, Nov. 7 (GA&DM)- Popular Kannada actor 'Hattrick Hero' Shivarajkumar inaugurated the three-day 'Samskriti-22' cultural festival organised by MMC&RI (Mysore Medical College and Research Institute) at its Platinum Jubilee Hall in J.K. Grounds here on Friday.

Speaking on the occasion, he said that Mysuru is his second home. Stating that the word 'Doctor' is closely associated with his family, he said that there are many doctors in his family too. "My daughter too studied MBBS in Mysuru. My father (Thespian Dr. Rajkumar) and my late younger brother (Dr. Puneeth Rajkumar, fondly called as 'Appu') were conferred with Honorary Doctorates by University of Mysore," he said while recalling his family's close association with Mysuru.

Noting that his father often relished tasty biriyani, coffee and other dishes in Mysuru, Shivarajkumar reminisced the event held in Mysuru in 1994 at the same venue (J.K. Grounds) when his father was honoured for having been conferred with *Padma Vibhushan* award.

Maintaining that he was happy to have inaugurated the cultural fest at a time when the MMC&RI is on the verge of celebrating its centenary, Shivarajkumar said that he will only be too delighted to be part of this prestigious Medical College's centenary celebrations in 2024.

MMC&RI Dean and Director Dr. K.R. Dakshayani, K.R. Hospital Medical Superintendent Dr. Nanjundaswamy, Cheluvamba Hospital Superintendent Dr. Rajendra Kumar, PKTB Hospital Superintendent Dr. C. Prashanth and Student Welfare Officer Dr. S. Chandrasekhar were present.

Students demand release of SC/ST scholarships

Mysuru, Nov. 7 (PM&TRR)- Demanding the release of SC/ST scholarships, Yuvaraja's College students staged a protest in front of Crawford Hall in city on Friday.

"We are sanctioned with lesser scholarships from 2019-2020 to 2021-22 and at the same time, we are being forced to pay admission fee by ourselves. As we come from poor families, we are finding it difficult to pay our fees and this is affecting our academic activities," students said.

The protesters further said that an amount of Rs. 1,96,79,080 was supposed to be released as scholarships out of which only Rs. 33,74,029 has been released and the balance amount of Rs.1,63,05,051 is still pending with the Social Welfare Department.

"This is the statistics for the year 2019-20. Not even a single rupee has been released by the Department towards the scholarship for the year 2020-21. The Department is withholding scholarships worth crores of rupees," they charged.

"We have brought this problem to the notice of our College Principal on many occasions but he is not bothered about it. Since the Government has sanctioned lesser amount as scholarships, the Principal is asking us to pay fees. He is also saying that he will not give our original documents if we don't pay our fees," said the angry protesters.

"The University of Mysore Vice-Chancellor should immediately take up the matter with the higher authorities in the Government and give us scholarships so that we can continue our studies without any problem," urged the students.

'Doctor's dose of affection offers better cure than medicines'

Mysuru, Nov. 7- Talented Sandalwood film star Daali Dhananjay has said that it is the dose of affection given by Doctors which offers better cure than the medicines prescribed. The actor was speaking on the second day event of 'Samskriti-22' organised by MMC&RI at J.K. Grounds on Saturday.

Dhananjay

"I wanted to be a Doctor. But didn't score enough marks in CET and became an actor. Medical profession itself is wonderful and we all should work in a way which would help the society and to do this, we need opportunities. But, Doctors can eternally serve the society through their profession," said Dhananjay.

"While all Gods wear ornaments, Doctors wear white coats and serve humanity as Gods. Their dose of affection offers better cure than their medicines. I am an example for this. On many occasions when I was ill, I was saved from operation procedure more because of the dose of affection given by my Doctors than their medicines," said actor Dhananjay appreciating the service of Doctors.

Later, Dhananjay danced to the song of his film 'Badava Rascal' along with students.

Rajiv Gandhi Housing Corporation beneficiaries seek sites, houses

Mysuru, Nov. 7 (PM&TRR) Urging houses to be built at sites allotted to them, beneficiaries of Rajiv Gandhi Housing Corporation staged a protest in front of Mysuru City Corporation (MCC) office on Friday.

Stating that MCC had invited applications under Rajiv Gandhi Housing Corporation scheme during the year 2000 and offered to build houses on 20x30 site under the scheme, the protesters said that 2,000 beneficiaries were selected under the scheme in the year 2002-03. But 823 beneficiaries including themselves have not been given houses, they alleged.

"The houses were approved for Rs. 35,000 and we were asked to pay Rs.10,100 as the first instalment. Out of the 823 allottees, about 400 beneficiaries were given sites and sites were registered at Mysuru North Sub-Registrar's office along with chakbandi, ten years ago. But when these beneficiaries submit new applications, they are being issued with a notice asking them to pay Rs. 4.90 lakh to provide them houses under Pradhan Mantri Awas Yojana, which is not right," they added.

"When Siddharamaiah was the Chief Minister, an order was issued by the Government waiving off the remaining instalments and declared the beneficiaries as the absolute owners. "The order also directed to issue Title Deeds which was provided by the MCC Commissioner for a few houses. Hence, we as beneficiaries, are now the absolute owners of our allotted sites and houses. But because of the negligence of Ashraya Committee and Corporation officials, we have been deprived of our houses for the last 17 years. Though some houses have been constructed, they have not been given basic facilities," they complained.

Protesters demanded that the notice issued to them saying that they will be provided G+3 houses if they pay Rs. 4.90 lakh should be withdrawn and Title Deed be issued immediately to those who have proper documents.

'Kanakadasa and Onake Obavva Jayanthis to be celebrated in a meaningful manner'

Mysuru, Nov. 7- Additional Deputy Commissioner (ADC) Dr. B. Manjunathaswamy has said that both Kanadakadasa Jayanthi and Veera Vanite Onake Obavva Jayanthi will be celebrated in a meaningful manner and with grandeur at Kalamandira on Nov. 11. He was speaking at a preliminary meeting held at the DC's office, to discuss the necessary preparations to be made to celebrate Kanakadasa and Obavva Jayanthis.

Assistant Director of Kannada and Culture Department Dr. M.D. Sudarshan, who spoke on the occasion, said that the Jayanthi celebrations will be held at Kalamandira from 12.30 pm onwards and prior to that, a procession will be flagged off from Kote Anjaneyaswamy Temple premises at the Palace North Gate at 10 am. Art troupes and singers teams will be provided by the Kannada and Culture Department, he added.

Jayantyotsava Samiti leaders, who also spoke on the occasion, suggested that the procession should pass through K.R. Circle, MCC, 100 feet road and Devaraja Urs Road, before reaching Kalamandira. They also demanded that all community students who have scored high marks in the examinations should be awarded Pratibha Puraskar and achievers from all communities should be felicitated on the occasion.

Jayantyotsava Samiti President and former MLA M.K. Somashekar, Zoo Authority of Karnataka (ZAK) Chairman M. Shivakumar, MCC Deputy Commissioner Savitha, Jayantyotsava Samiti members and many officials were present.

'Disappointed on those who complain about *Sanatana Dharma* without knowing about it'

Vidwan Shatavadhani Dr. R. Ganesh at Cultural Outreach Programme

Vidwan Shatavadhani Dr. R. Ganesh addressing the gathering at 'Ashtavadhana' programme organised as part of the ongoing Cultural Outreach Programme 'Festivals of India' at Kalamandira in city last evening.

Mysuru, Nov. 7 (MK&SSM)- It was indeed an educative interaction session to all the audience at Kalamandira last evening where an 'Ashtavadhana' programme by Vidwan Shatavadhani Dr. R. Ganesh was organised as part of the ongoing Cultural Outreach Programme 'Festivals of India,' jointly by Infosys Foundation, Bengaluru and Bharatiya Vidya Bhavan (BVB), Bengaluru-Mysuru.

"The greatest enemies of our country are those people who are born in this land and make use of all the facilities of this land, but fail to understand our heritage," Dr. Ganesh regretted and added how disappointing it is that a few people complain about *Sanatana Dharma* without actually having any knowledge about it. Stating that it is very sad to see the fate of cattle in our country, he said that the Government or political parties should at least now give importance to conserve cattle.

He further said that festivals in India are celebrated by different community in different ways. "In our culture, where we offer puja to a sapling in the name of 'Tulasi Festival,' even a grass (garike) is revered. Similarly, even if our knowledge doesn't grow like a huge tree, it must spread across like grass," he added.

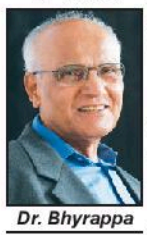
Shatavadhani Ganesh further informed the prominence of various festivals celebrated at different parts across the country and also read poems.

He was accompanied by K.B.S. Ramachandara - Nishedhaksa, H.A. Vasuki - Smsyopurana, Ganesh Bhat Koppalatota - Dattapadi, Dr. Ranjani Vasuki - Dhatuvi Mathu, Arjun Bharadwaj - Ashu Kavithe, Shreesha Karanth - Uddistaksara, Kashyap Nayak - Kavya vaachana, Somashekar Sharma - Aprastuta prasanga.

The auditorium was jam-packed with large gathering including BVB students.

Mysuru Mithra and *Star of Mysore* Founder-Editor and BVB Mysuru Kendra Chairman K.B. Ganapathy, Hon. Secretary P.S. Ganapathy, Treasurer Prof. A.T. Bhashyam, litterateur Prof. C. Naganna and others were present at the programme.

Wonderful programme: Dr. Bhyrappa



Dr. Bhyrappa

Acclaimed writer and *Saraswathi Samman* awardee Dr. S.L. Bhyrappa appreciated the 'Ashtavadhana' programme organised as part of the Cultural Outreach Programme at Kalamandira yesterday.

Stating that such programmes related to our art, culture and literature should be encouraged, he said: "Government should build Kalamandira-like buildings and reserve it to organise cultural programmes. However, instead of Government, other Associations and organisations should come forward to organise cultural programmes in order to protect and nurture our art, culture and literature," he said.

"There is no topic that Shatavadhani Dr. Ganesh is not aware of. He is a M.Tech graduate in Mechanical Engineering who knows Sanskrit too. He is training a few youngsters so as to continue his legacy of conserving this art of 'Ashtavadhana.' Those who study pure science can easily understand philosophy. Hence, Dr. Ganesh has been training more science students itself," he added lauding the efforts of Dr. Ganesh.

Lunar Eclipse: Shanti Homa at temples on Nov. 9

Mysuru, Nov. 7- As part of Total Lunar Eclipse tomorrow (Nov. 8), Shanti Homas have been organised at various temples in city on Nov. 9. Rahugrasta Chandragrahana Shanti Homa will be performed at Panchamukhi Anjaneya Temple on Irwin Road — Sankalpa between 8.30 am and 9.30 am and purnahuti at 12 noon followed by mangalarati and theertha prasada viniyoga. [Mob: 93421-12477]

Shanti Homa will also be performed at Sri Amruteshwara Temple on Dewan's Road, in Devaraja Mohalla, from 8.30 am and purnahuti at 12.30 pm. [Mob: 98451-83392 or 98451-83399, according to a press release.

No darshan at Hill Temple

Mysuru, Nov. 7- As Total Lunar Eclipse will take place tomorrow, there will be no darshan and pujas at Chamundi Hill from 1 pm onwards.

However, regular darshan will be allowed for the Chamundeshwari devotees till 1 pm, according to a press release from the Hill Temple authorities.

SKYWATCH

Beaver Bloodmoon

Lunar Eclipse on Nov. 8

None can forget the mesmerising Supermoon, Bloodmoon Total Lunar Eclipse that occurred on Jan. 31, 2018! This astronomical occurrence has been memorable and millions witnessed this spectacular spectacle. In the same way, during July 27 - 28, 2019, Indians were really fortunate to witness a longest duration 'Total Lunar Eclipse' of this century. On Nov. 8, Mysureans can see to a penumbral lunar eclipse. From Mysuru, Lunar Eclipse can be seen from 5.54 pm to 6.19 pm tomorrow. The total duration of the eclipse at Mysuru will be about 25 minutes. Eclipse will be visible in the region covering South America, North America, Australia, Asia, the North Atlantic Ocean and the Pacific Ocean. The places from where the beginning of the umbral phase is visible at the time of moonset are western parts of Argentina, Chile, Bolivia, western parts of Brazil and the North Atlantic Ocean.

The places from where the ending of the umbral phase is visible at the time of moonrise are the Indian Ocean, India, Pakistan, Afghanistan, Kazakhstan, Uzbekistan and Eastern Russia.

The eclipse is visible from all places of India at the time of moonrise. However, the beginning of the partial and total phases of the eclipse is not visible from any place of India as the phenomena will be in progress before moonrise.

Ending of both the total and the partial phases is visible from the eastern parts of the country. Only the ending of the partial phase is visible from the rest parts of the country.

Lunar Eclipses, which may be total or partial, can occur only at full moon when sun, earth and moon are in line. As the sun is an extended light source, earth's shadow has two components — a dark, central umbra, where the Sun is completely obscured, and a lighter outer penumbra, within which the obscuration is partial. During a Lunar Eclipse, the moon passes first through the penumbra, taking about an hour, moving eastward by its own diameter in this time, to reach the western edge of the umbra. A Lunar Eclipse occurs when the moon passes through the umbral region of the earth's shadow and becomes imperceptible. Lunar Eclipse is discernible from a large part of the earth.

During a total Lunar Eclipse, a full moon passes first into the penumbra or fuzzy outer shadow of earth (remaining grey, but getting darker) and then enters earth's umbra or deep central shadow. The only sunlight reaching the moon passes through earth's atmosphere, which turns the lunar surface red because of Rayleigh scattering. Red, orange and yellow light have the longest wavelengths, so these light waves strike few particles as they travel through earth's atmosphere compared to blue light, which has shorter wavelengths. The more dust or clouds in earth's atmosphere during the eclipse, the redder the moon will appear.

No two Lunar Eclipses are ever quite the same. The main difference from one event to another is the degree to which the totally eclipsed moon is darkened and how colourful is might be. The level of darkened is often described in terms of the DANJON SCALE.

There is absolutely no harm in witnessing this gorgeous astronomical spectacle and could be clearly witnessed by using a reflecting telescope or astral binoculars.

The total Lunar Eclipse of November 8, 2022, was preceded by a partial Solar Eclipse on Oct. 25, 2022. These eclipses all take place during a single eclipse season. An eclipse season is an approximate 35-day period during which it's inevitable for at least two (and possibly three) eclipses to take place.

In 2023 we have another April-May eclipse season with a total Solar Eclipse on April 20, 2023, and a penumbral Lunar Eclipse on May 5-6, 2023. The October-November eclipse season includes an annular Solar Eclipse on October 14, 2023, and a partial Lunar Eclipse on October 28-29, 2023. This November 8 total eclipse belongs to Saros 136. It is number 20 of 72 eclipses in the series. At Mysuru, the best viewing location is from Chamundi Hill. After this year, the next time that a Blue Moon passes through Earth's umbra will be on Dec. 31, 2028, and, after that, on Jan. 31, 2037.

It is always recommended using binoculars or a small low-power telescope, since they both allow the entire Moon to be viewed during the event.

—Dr. S.A. Mohan Krishna, *Amateur Astronomer*

WORD OF THE DAY

Genteel

Pronunciation: jen-TEEL.
Meaning: Genteel means "elegant or graceful in manner, appearance, or shape." It can also mean "marked by false delicacy, prudery, or affectation," or be used as a somewhat old-fashioned synonym of aristocratic.
Origin: The word genteel has some familiar English relatives, including gentle, gentrify, and gentility. All come from the Latin noun gens, used to refer to a group of related people. That word's plural, gentes, was used in Roman times to classify the people of the world, particularly non-Romans. Similarly, the English gentile refers to people who are not Jewish, or who don't follow other specific religions. Many non-English words come from gens as well, including the Spanish gente, meaning "people." To say gens has made its mark would be putting it gently.
Example: "On a technical level, [Roger] Federer reconciled power of modern game with the finesse of the wooden-racket era, creating an elegant style that was excitingly contemporary yet still felt like a loving homage to the sport's past. ... That Federer's aesthetically inventive style bolstered his reputation is clear from the reams of essays and books that laud him as the Platonic ideal of a genteel racket-sport champion." — Kevin Craft

THE ODD WORD

Galeanthropy

Belief that one is a cat.

PHRASE OF THE DAY

Going overboard

Meaning: Going overboard means to do too much, go over top in excess.
Origin: Not surprisingly, the origin of the idiom "go overboard" is nautical. When one falls overboard from a boat into the water, it's quite a problem; in the same way, going out of bounds in other areas of life is problematic. Interestingly, the "board" in overboard is actually a term for the physical railings found on a boat; if you went overboard, you went over the railings and into the water.
Example: Matt went overboard when he spent so much money on my birthday present.

QUOTE BOX

God made the Idiot for practice, and then He made the School Board.

—Mark Twain

RIDDLE THIS

Solve the rebus:

DECI SION

Answer: Split decision.

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

National Library Week

Contests for children

Mysuru, Nov. 7- The Department of Public Libraries will be celebrating National Library Week at the City Central Library and all its branches across the district from Nov.14 to 20.

As part of the celebration, a painting and poster contest for school children and college students will be conducted at the City Central Library premises in People's Park, Nazarbad at 10.30 am on Nov. 13 (Sunday).

The contest will be held under different categories. The theme of painting contest for children from 1st to 3rd standards (Junior section) is 'Nature'; for students of 4th to 6th (Sub-junior section) 'Me and Books,' for 7th to 10th standards (Senior) is 'The Library of my Vision.'

There will be a poster contest for Fine Arts and other College students (Master section), with focus on Digital Library.

There will be 3 prizes in each category. Winners will be distributed prizes and certificates during the inaugural function of the National Library Week to take place at the City Central Library, Peoples' Park, Nazarbad, at 11 am on Nov. 14.

Interested students may register for the contests at City Central Library before 5 pm on Nov. 10. For details, contact Ph: 0821-2423678 or 2430343.

Artists'camp

Mysuru, Nov. 7- The Cultural Outreach Programme 'Festivals of India' will feature a three-day artists' camp from Nov. 8 to 10 between 10.30 am and 3 pm at Rangayana premises.

Students of Sree Kalaniketha-na College of Visual Art and Sri Ravivarma Art Institute will participate in the camp. Their artworks created during the camp will be on display at the venue. The programme will be directed by Insha Ummehani. For details, contact Mob: 94480-57919 or 98456-25899 or e-mail: ***bhavanblrhns50@gmail.com***

GENERAL PUBLIC NOTICE

This is to notify the public that my client, Mr. T. K. Chittaranjan, residing at No. 19/1B and C, Lalitha Mahal Road, Mysore 570011, states that, in R.A. Nos. 183 / 19 and 303 / 19, VII Addl. District Judge, Mysuru, has declared and decreed that in the schedule property which has width of 137.5ft and length of 180ft, on the eastern side, there exists a passage of width 20ft 6 inches that runs north to south for the entire length of 180 ft, from the southern entrance at Lalitha Mahal Road to his property on the northern side, in his favour of the 20ft 6 inches, a passage of width 12 ft is a right-of-way to Mr. T. K. Chittaranjan's property and the remaining 8ft 6in is for common usage such as electricity, water, sewage, telecom lines, etc. My client cautions the public that the above facts be known by anyone who wants to deal with the schedule property.

SCHEDULE

House property bearing Municipal Door No. 19/1A presently in possession of Mrs. Indira Ramanna, situated at Lalitha Mahal Road, Nazarbad Mohalla, Mysore measuring East-West 137.5ft and North-South 180ft and bounded as follows:

East: Property belonging to Kaveri Nilaya
West: Sankalp Apartment
North: Portion of Property bearing No. 19/1B and C, owned by my client, Mr. T.K. Chittaranjan
South : Lalitha Mahal Road.
